# The Best of British

While our designs draw influences from around the world, there is always something distinctly British about a Roper Rhodes bathroom.

Perhaps it's because our design studios are based in the historic city of Bath. Or maybe it's because we understand the British obsession with the home.

But to be honest, we think it's something a little more elusive than that. It's the unmistakable feeling of quality and understated elegance whenever you use our products. That's really what sets Roper Rhodes apart and makes us the quintessentially British bathroom company.

# Where Form Meets Function

Take nine designers, a crack team of marketers, 35 years of experience and thousands of original ideas. What do you get? This Bathroom Book - packed full of beautifully conceived and exceptionally finished bathroom products.

With Roper Rhodes, form and function sit perfectly side by side. All our products are built to last and designed to delight. And it's all thanks to the guys above. It's their job (dare we say obsession?) to design bathrooms that are out of the ordinary - and that really stand the test of time.

Whether you love the warm natural tones of wood, the striking modernity of anthracite or the classic appeal of white, our furniture ranges will strike just the right note in your bathroom, whatever its size. Each and every piece has been designed and built to exacting standards to withstand the stresses and strains of daily use.

## The Furniture Collection

When it comes to adding a stylish yet practical touch to your new bathroom design, choose from the Roper Rhodes furniture collection and you can be assured of hitting the mark. Our range has something for every taste and the designs incorporate a host of thoughtful features such as hidden internal drawers or lighting, integrated chrome handles and soft close drawer runners and door hinges.

# Look out for these great features...

#### Internal storage

Additional internal drawers add really useful extra storage to the already roomy space you will find in a Roper Rhodes furniture unit. Great for storing those bits and bobs we all need in our bathroom.

#### Soft close

Soft close drawer runners and door hinges are used across our whole collection, giving a smooth, quiet closing action and luxurious feel.

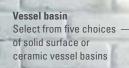

#### 10 year guarantee

We take great pride in the workmanship of our designs, using the very best materials and manufacturing techniques. This mean that all Roper Rhodes furniture benefits from a 10 year guarantee.

Handle

Pursuit units feature a sleek integrated chrome plated handle

#### Soft close

Shhh...Pursuit's drawers feature soft close, low profile runners for a luxurious feel and quiet closure

## Pursuit

There's no need to hunt any further for that elusive designer edge for your bathroom, just go for our new Pursuit wall mounted furniture range. The contemporary textured finishes lend it a truly sophisticated edge, choose from alpine or charcoal elm or opt for smooth gloss white. Pursuit is extremely flexible too – choose the 600mm or 900mm basin unit or use two 600mm units side by side, united by a long solid surface worktop to create a luxurious statement piece.

The spacious drawers have beech internals, soft close drawer runners and are finished with a sleek integrated chrome handle. You could also add the optional floating beech storage boxes to help keep all your bathroom bits and bobs together inside the drawer.

Top your unit with one of the two ceramic or three solid surface vessel basin options, depending on which style takes your fancy. A coordinating wall column unit, with its seamless chrome handle, gives you even more storage space and a useful mirror to boot.

Pursuit furniture benefits from a 10 year guarantee.

Handle Hidden handle in lower drawer adds to the minimal styling

> Soft close Shhh...Diverge's drawers features soft close, low profile runners for a luxurious feel and quiet closure.

## Diverge

Move away from the norm and choose from our new Diverge bathroom furniture range. There are so many options to select from to suit your style and space.

The floorstanding units are available in 600mm, 800mm and 1000mm widths – all of which have a useful drawer as well as roomy cupboard storage and a sleek ceramic basin with generous wash area. The wall mounted basin unit comes in two widths and can also be used with the ceramic basin if you wish. Or, for an up-to-the-minute look, you can plump for a solid surface worktop and any one of our five designs of solid surface or ceramic vessel basin.

Using the drawers is a pleasure, thanks to the hidden handle and smooth soft close action. Naturally all doors have soft close hinges too. If you need extra storage space add the very smart coordinating mirror-fronted wall column unit.

Two contemporary textured finishes of alpine or charcoal elm or a smooth gloss white finish keep Diverge very on-trend.

All Diverge furniture benefits from a 10 year guarantee.

# S. . Hampton

# Hampton

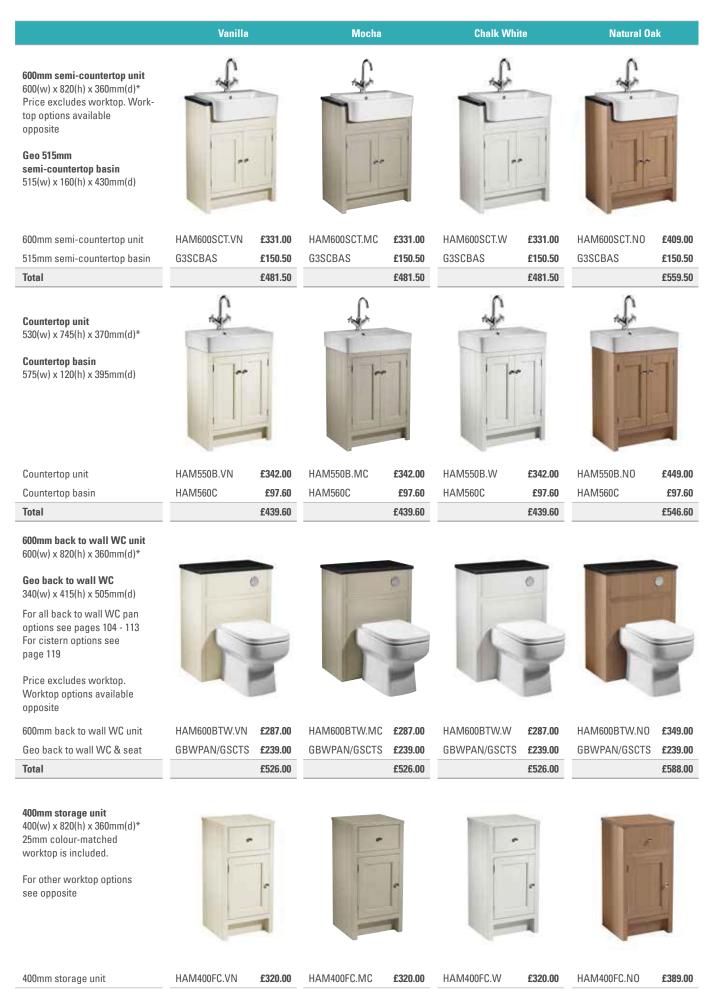

Muted colours combine with classic, hand-built and finished cabinetry for a timeless feel. Hampton features 5 piece doors with tongue and groove feature side panels. Doors incorporate magnetic catches for a subtler opening action, plus recessed plinths and cute chrome knobs. Choose between beautifully hand painted units in chalk white, mocha or vanilla or opt for a real oak veneer finish.

Elements from the Hampton range can be used as stand alone pieces, or alternatively fitted together, with the help of worktops and plinths, to achieve a fitted look. Choose from laminate or our suprisingly inexpensive solid surface Strata worktops. Matching bath panels are also available.

All Hampton furniture benefits from a 10 year guarantee.

### lsocast basin

This stunning isocast basin's thin profile coordinates with the serif units beautifully

Handles Serif units feature custom-made, polished stainless steel handles —

> Soft close Shhh...Serif's drawers feature soft close, low profile runners for a luxurious feel and quiet closure

# Serif

Serif's undulating curves give it a naturally sophisticated appeal.

Available in a variety of wall mounted size options including a compact 600mm basin unit, a handed 900mm unit and a stunning 1200mm unit, the range is incredibly versatile.

Drawers have soft close, low profile white drawer runners for a smooth, quiet action. Custom-made, polished stainless steel, profile matching drawer handles add the perfect finishing touch.

The bespoke integral Isocast basin top completes the look seamlessly, with a thin front profile, generous wash area and practical flat edges.

Serif is available in gloss white and light elm finishes. All Serif furniture benefits from a 10 year guarantee.

# **Isocast Basins**

All of our Isocast basins are manufactured using a calcium carbonate mineral substrate. This is then topped with a tough, resilient gelcoat to give a glossy finish which is both durable and easy to clean.

Using these materials allows us to create basins with precisely defined surfaces and edges which are not only practical but also complement our modern bathroom designs perfectly.

# Moment

**Ceramic glass basin** The shapely ceramic glass Moment basin adds just the right finishing touch with its crystal-like lustre

### Options

With Moment, the choices are endless. Available in freestanding or wall mounted options and three finish options, gloss white, light elm or dark elm

#### Soft close

Shhh...Moment drawers feature soft close runners for a luxurious feel and quiet closure

# Moment

With its gently rounded side panels Moment adds a stylish, modish look to any bathroom. The drawers feature soft close, low profile white drawer runners, for a luxurious feel and quiet closure, and are finished with a chrome plated handle.

The shapely ceramic glass basin adds just the right finishing touch with its crystal-like lustre and it is as practical to use as it is gorgeous to look at.

Moment is available in gloss white and light and dark elm finishes and comes in wall mounted or freestanding options.

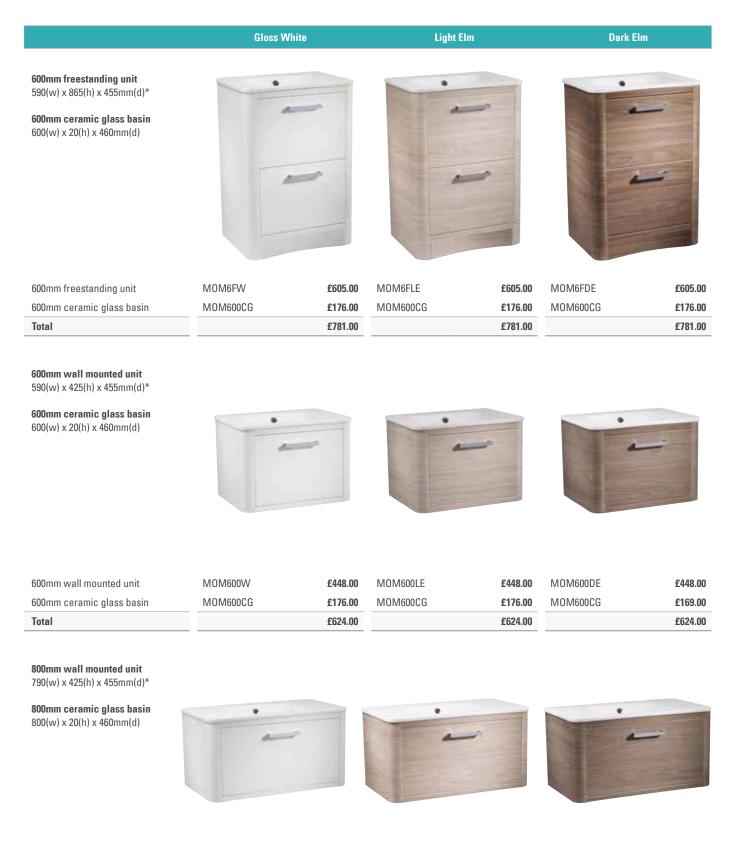

All Moment furniture benefits from a 10 year guarantee.

# Cypher

The square lines and slim depth of the Cypher range lend it a sharp contemporary edge which is accentuated by slim, elegantly understated chrome handles to the tops of the doors and drawers. The doors have soft close, fully adjustable hinges and the drawers have soft close, low profile white drawer runners for a super-smooth, quiet action. Drawer units also feature a highly useful secondary internal drawer for all those bathroom bits and bobs. Cypher's lsocast basin complements the basin unit perfectly.

Cypher is available in gloss white and light and dark elm finishes and comes in wall mounted or freestanding options.

All Cypher furniture benefits from a 10 year guarantee.

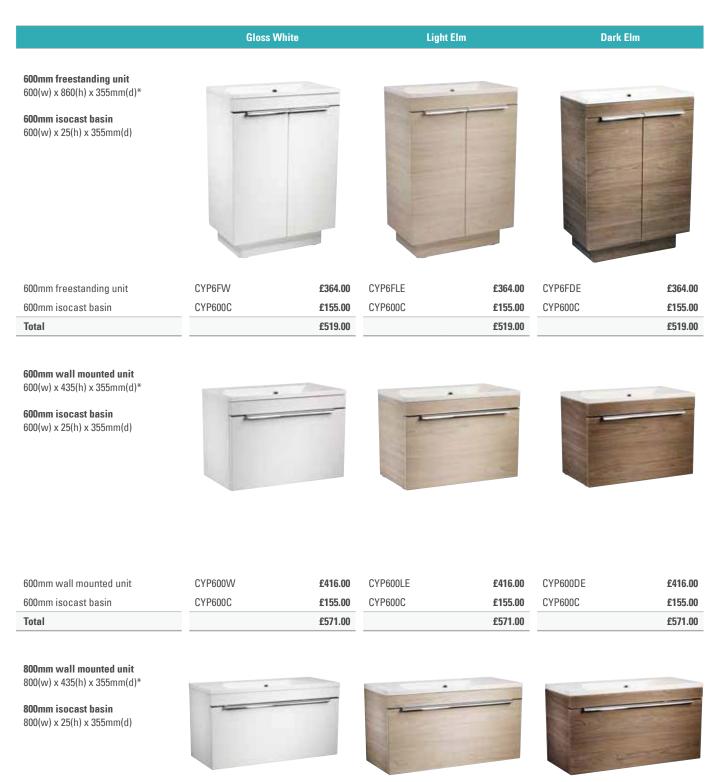

# **Isocast Basins**

All of our Isocast basins are manufactured using a calcium carbonate mineral substrate. This is then topped with a tough, resilient gelcoat to give a glossy finish which is both durable and easy to clean.

Using these materials allows us to create basins with precisely defined surfaces and edges which are not only practical but also complement our modern bathroom designs perfectly.

### Storage unit

A wall mounted storage unit features two internal glass shelves that are colour matched to coordinate with the unit's exterior

**Isocast basin** This stunning isocast basin's thin profile coordinates with the Vista units beautifully

> Internal lights This drawer features a clever internal light, that switches on as it is opened

### Soft close Shhh...Vista's drawers

features soft close, low profile runners for a luxurious feel and quiet closure

### Options

With Vista, the choices are endless. This 600mm freestanding unit comes with an optional plinth, so you can choose whether to display as wall mounted or floorstanding

# Vista

Edgy, sleek and pared-down to perfection, the Vista range has a definite urban feel.

Freestanding and wall mounted units are available in a variety of size options and are finished with a coordinating Isocast basin. All units incorporate clever internal lighting, which turns on automatically as the main drawer is opened.

The soft tones of light and dark elm finish fronts are offset perfectly by their white or taupe painted frames. Super smooth low profile drawer runners have been incorporated, whilst the long, slim chrome handles completes this understated look.

All Vista furniture benefits from a 10 year guarantee.

### **Isocast Basins**

All of our Isocast basins are manufactured using a calcium carbonate mineral substrate. This is then topped with a tough, resilient gelcoat to give a glossy finish which is both durable and easy to clean.

Using these materials allows us to create basins with precisely defined surfaces and edges which are not only practical but also complement our modern bathroom designs perfectly.

handles on these units as well as the fact Profile comes in so many different sizes and finishes.

Soft close Shhh...Profile's doors and drawers feature soft close hinges and runners for a luxurious feel and quiet closure

# Profile

When simplicity feels right there's no need to complicate the design.

The Profile range incorporates a wall mounted unit with double drawers and a freestanding unit with doors, in stunning driftwood, mali and high gloss white finishes. The wall mounted version also comes in a choice of widths. Common to all is the ergonomic furniture profile that allows the units to be handle-free.

Our gorgeous basin is both pleasing to the eye and practical to use.

All Profile furniture benefits from a 10 year guarantee.

### Soft close

Shhh...Envy's doors and drawers feature soft close hinges and runners for a luxurious feel and quiet closure

#### – Basins

The Envy range incorporates two distinct basin types – one ceramic and one Isocast, but both with the same stunning profile.

#### **Coordinating pieces** A wall mounted 300mm storage unit provides useful additional space

#### **Base units options**

Choose from wall mounted 600mm or 700mm wide units, a show-stopping 1200mm 'his and hers' version, or alternatively a 700mm freestanding option.

Proof that Envy isn't always a sin... This comprehensive range includes wall mounted units in 600mm, 700mm and 1200mm widths and a 700mm freestanding unit.

A show-stopping 'his and hers' Envy wall mounted unit incorporates two doors and a central drawer unit, topped by a luxurious Isocast double basin.

In addition, the Envy range includes a 300mm storage unit, featuring internal glass shelves and soft close doors, which can be mounted for left or right hand opening. Customise your Envy back to wall WC unit with a gloss white contemporary worktop. Satisfyingly chunky.

All Envy furniture benefits from a 10 year guarantee.

Soft close Shhh...Kato's drawers feature soft close runners for a luxurious feel and quiet closure

# Kato Features

Sublimely simple, the chamfered detailing on this solid framed furniture provides a different design slant on freestanding basin units. We love the chunkiness of its frame.

The variety of size and finish options make Kato ideal for many bathrooms. With smooth chrome handle styling, the finished effect blends classic cabinetry with a contemporary twist. Choose from 600mm and 700mm versions.

Complete your bathroom with a Kato storage unit, featuring two internal glass shelves and soft close doors which can be mounted for left or right hand opening.

All Kato furniture benefits from a 10 year guarantee.

**Base units** These beautiful units are available in a wide range of sizes, providing practical storage solutions for any bathroom

Soft close Shhh...Valencia's doors feature soft close hinges for a quiet closure

# Valencia

Subtle curves in all the right places and a stunning high gloss white finish give Valencia an elegant, timeless appeal.

Versatility? It's Valencia's middle name. Use each element on its own or create a sleek, fitted installation to cleverly hide unsightly pipes. Either way, for a soft, uncluttered look that's easy on the eye, Valencia is well worth a visit.

All Valencia furniture benefits from a 10 year guarantee.

#### **Ceramic basin** Mia's offset ceramic basin features a single tap hole and surprisingly generous wash area –

1

Flexibility A reversible door, with soft close quick release hinges, means it will easily fit in where needed —

# Mia

# Mia

The new Mia basin unit extends our extremely popular cloakroom furniture collection. This compact, yet highly functional freestanding basin unit has a variety of features which make it an indispensible addition to a small room.

A reversible door, with soft close quick release hinges, means it will easily fit in where needed. The framed inset door panel and concave plinth add to the aesthetic appeal, with an elegant chrome plated handle giving an extra stylish touch. An offset ceramic basin cleverly maximises available hand wash area.

Mia is available in gloss white and light and dark elm finishes and benefits from a 10 year guarantee.

Ceramic basin Esta's ceramic basin features a single tap hole and surprisingly generous wash area

Basin unit options The Esta range is available in both freestanding and wall mounted formats, and comes in a variety of stylish finishes

# Esta

Mini basin mixers Complete the look with a mini basin mixer. See pages 159-177 for options

We've a lot to say about the smallest basin unit in our furniture collection...

Esta is packed full of charm and practicality. Available as a freestanding or wall mounted unit, in no fewer than seven contemporary finishes, this piece is perfect for a smaller bathroom or cloakroom.

This simple, unfussy unit incorporates a single wooden shelf. It features doors that can be hung to open from the left or right and slim chrome handles that can be mounted either portrait or landscape.

All Esta furniture benefits from a 10 year guarantee.

Geo Sanitaryware

**Concealed Cisterns & Wall Hung Frames** 

# Version

A chunky basin style with rounded corners and generous washing space makes Version simply stylish and very practical. Wall hung basins in 3 size options coordinate with a wall hung or back to wall WC.

#### The Version Collection

750mm basin

550mm back to wall WC & soft close seat £550.00

550mm wall hung WC & soft close seat £550.00

650mm basin **£400.00** 

0mm basin **£425.00** 

850mm basin **£450.00** 

# Edition

The elegant Edition basin comes in two sizes and can either be wall hung or mounted on a countertop. Coordinate with a wall hung or back to wall WC, complete with a soft close wrap over seat.

# The Edition Collection

550mm back to wall WC & soft close seat £530.00

550mm wall hung WC & soft close seat £530.00

600mm basin **£325.00** 

800mm basin **£369.00** 

# Memo

The organic curves of Memo basins give an easy, softer style which can either be wall hung or mounted on a countertop. The coordinating compact WCs naturally have a soft close seat.

### The Memo Collection

510mm back to wall WC & soft close seat £515.00

510mm wall hung WC & soft close seat **£515.00** 

550mm basin **£300.00** 

700mm basin **£340.00** 

# Note

The Note basin comes in four sizes, to be countertop-mounted or wall hung with a chrome bottle trap or semi pedestal. An additional semi-countertop basin option enables use with bathroom furniture. The short projection close coupled WC has a soft close, quick release seat.

### The Note Collection

Codes, pricing and dimensions for the Note collection can be found on page 115

For further technical information please visit our website www.roperrhodes.co.uk | 107

# Statement

Make a Statement in your bathroom. These substantial basins are made using fine fire clay which allows delicate straight edges to the design. Wall hang or mount on a countertop and team up with your choice of our WCs.

### The Statement Collection

600mm basin **£385.00** 

800mm basin **£480.00** 

1000mm basin **£550.00** 

## Theme

Theme is a wall hung basin range with a huge array of size options. Team with your choice of WC, though they work especially well with our Note or Edition models.

### The Theme Collection

610mm basin

£220.00

810mm basin £310.00

1010mm basin £380.00

1210mm double basin £550.00

#### Bespoke made to order Theme basins (allow up to 8 weeks)

£525.00

1060mm basin £420.00

1410mm double basin £795.00

## Breathe

Breathe basins can be wall hung or look great mounted on a countertop. Maybe team up with a Geo or Version WC?

The Breathe Collection

610mm basin £223.00

810mm basin **£313.00** 

1010mm basin **£364.00** 

## Zest

Zest has a comprehensive range of ceramic basins made using fine fire clay, allowing slim edges and elegant shapes. Wall hang or mount on a countertop. Four WC options include a very stylish close coupled design and a unique 450mm short projection back to wall version.

The Zest Collection

### Geo

The soft squares of the Geo basin means it looks great when used with Roper Rhodes bathroom furniture. The slim depth semi-countertop basin saves precious space but still has a deep, practical wash space.

#### The Geo Collection

655mm close coupled WC, cistern & soft close toilet seat £389.40

505mm back to wall WC & soft close seat £239.00

515mm standard depth semi-countertop basin £150.50

540mm slim depth semi-countertop basin **£139.00** 

## Minerva

Minerva combines simple good looks with practicality. The semi-countertop basin comes in three useful sizes adding to the flexibility of the range. The WCs work well with your choice of soft close, quick release Juno or Minerva seats.

#### The Minerva Collection

660mm close coupled WC, cistern & soft close Juno seat £319.10

515mm back to wall WC & soft close Minerva seat **£188.40** 

540mm basin & pedestal **£90.40**

Use for in-wall applications 500mm width, adjustable depth 140 - 200mm WRAS approved, top entry 1/2" (male) inlet valve Front access Polystyrene anti condensation jacket 0.2-10.0bar working pressure range Brackets, fixings and 1st fix protective covers included Minimum depth for 'straight out' waste pipe routings 110mm Can be used with Ellipse Push Plate or Square Flush Button

Frame TR9006 **£184.50** 

### **Tap Features**

Roper Rhodes leads the way with technological innovation and engineering advances. Most taps are designed for the low pressure systems often found in UK households, all contain top quality components and are tested to the most stringent standards.

When it comes to our taps there are many features to choose from. We have therefore developed a series of useful icons to help you choose the right one for you. Look out for the icons on each page to help you identify which features apply to each tap range.

#### Look out for the following: Ten year guarantee **Temperature control** All taps come with a ten year guarantee. Designed to limit the temperature of mixed water by restricting handle movement. **WRAS** WRAS Products have been tested rigorously by the WRC and Eco water saving device comply with the Water Regulations Advisary Scheme. Taps with this symbol have a water saving feature allowing flow rates to be adjusted. Low pressure 1 LP<sup>1</sup> Suitable for all plumbing systems including conventional **ECO 1** ECO<sup>1</sup> gravity fed ones with a minimum 0.1 bar pressure\* and above. Compatible with our optional water and energy saving shower flow regulators. Low pressure 2 See page 157 for further details. LP<sup>2</sup> Suitable for all plumbing systems including conventional gravity fed ones with a minimum 0.2 bar pressure\* and above. **ECO 2** ECO<sup>2</sup> Compatible with our optional water and Low pressure 3 energy saving basin tap flow regulators. LP<sup>3</sup> Suitable for all plumbing systems including conventional See page 157 for further details. gravity fed ones with a minimum 0.3 bar pressure\* and above. **ECO 3** ECO<sup>3</sup> **High pressure** Compatible with our optional water and HP Require a minimum pressure of 0.5 bar or above and are energy saving basin mixer flow regulators. more suitable for modern pressurised plumbing systems. See page 157 for further details. **Swivel spout Ceramic technology** Allows spout to be moved from side to side. A smooth, easy to use action giving accurate flow control. Lever action Quarter turn ceramic technology The single lever action makes it extremely easy and practical Quarter turn taps only require a 90° turn of the handle to to use. move from fully open to closed. Swivel aerator

\*Bar pressure is a unit of measurement for pressure. 0.1 bar is equal to a metre head of water. In plumbing terms this means that for a gravity fed system, if the base height of your water tank is 1m above a tap, then you will have 0.1 bar of pressure at the tap.

#### Further Technical Information

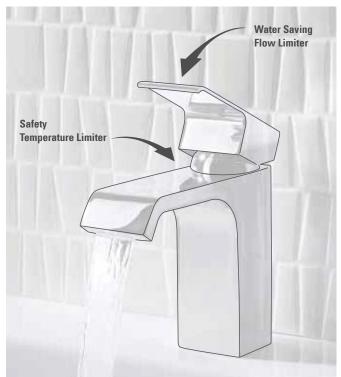

For further technical information on all Roper Rhodes taps, including fitting instructions, aftercare documents and additional features and benefits, please visit the tap section of the Roper Rhodes website by scanning the QR code with your smart phone. www.roperrhodes.co.uk/ranges/taps

Allows the position of the running water to be moved

### Safety & The Environment

At Roper Rhodes we take our responsibility to the environment very seriously, and have developed a variety of ways to help save water and energy through our extensive range of taps. A number of our taps feature built in flow and temperature control.

ECO<sup>1</sup>

ECO<sup>2</sup>

ECO<sup>3</sup>

#### Flow rate adjustment

Flow limiters help save water, making them kinder on the environment. They are also particularly useful in houses where water pressures are very high. Where indicated flow rates can be adjusted to three different settings, allowing the maximum flow to be reduced by as much as 25%.

#### **Temperature limiter adjustment**

Temperature limiters can be used to prevent possible scalding from excessively hot water. Where indicated the maximum temperature can be adjusted to six different settings, allowing the maximum temperature to be reduced by as much as 50%.

#### Shower and tap regulators

Our range of shower and tap flow regulators provide you with an opportunity to save water and energy. Regulators help maintain a constant flow of water regardless of variations in pressure. Simply choose the taps you like then see page 157 for compatible flow regulators and aerators.

## Tap & Shower Flow Regulators

Our range of optional regulators and aerators are a cheap and easy way to help save water in the bathroom. We've introduced a concise range of add on products which can be used with selected Roper Rhodes showers and taps to reduce water consumption and help save you money too!

All our regulators and aerators help save water, look out for the required ECO icon on our ranges of taps and showers.

- Produces aerating flow effect
- Simple to install into the aerator housing of a basin mixer

Suitable for taps displaying the ECO 3 icon

· Our tap flow aerators are available in a range of ratings

## **Showering Features**

Either pick one of our shower valves and ready-to-go shower kits, select a shower system or design your own bespoke shower experience using our great range of fixed heads, handsets and other accessories. The choice is endless.

### Look out for the following:

#### TMV2 - The safe choice

TMV stands for thermostatic valves which are a safeguard against accidental scalding. You can be assured that your Roper Rhodes valve has been engineered to the highest manufacturing standards and certified by the TMV2 scheme for domestic showers or tested to an equivalent standard.

#### **WRAS**

Relevant products have been tested rigorously by the WRC (Water Regulatory Council) and comply with the Water Regulations Advisary Scheme. The extensive approvals process ensures that all our showers use safe, mechanically tested materials.

#### Air-drive

Air-drive handsets create an aerated bubble spray which uses less water without compromising your shower experience.

ECO<sup>1</sup>

LED

#### Ten year guarantee

Such is our confidence in the quality of our shower valves we offer a 10 year guarantee.

#### **ECO 1**

Showers and accessories with this symbol are compatible with our optional water and energy saving shower flow regulators. See page 157 for further details.

#### LED

Our LED fixed shower head features water temperature indicators that create a light effect. Powered by kinetic energy generated from the running water, there's no need for complicated electrical wiring.

#### **Further Technical Information**

For further technical information on all Roper Rhodes showering products, including fitting instructions, aftercare documents and additional features and benefits, please visit the shower section of the Roper Rhodes website by scanning the QR code with your smart phone. www.roperrhodes.co.uk/ranges/showers

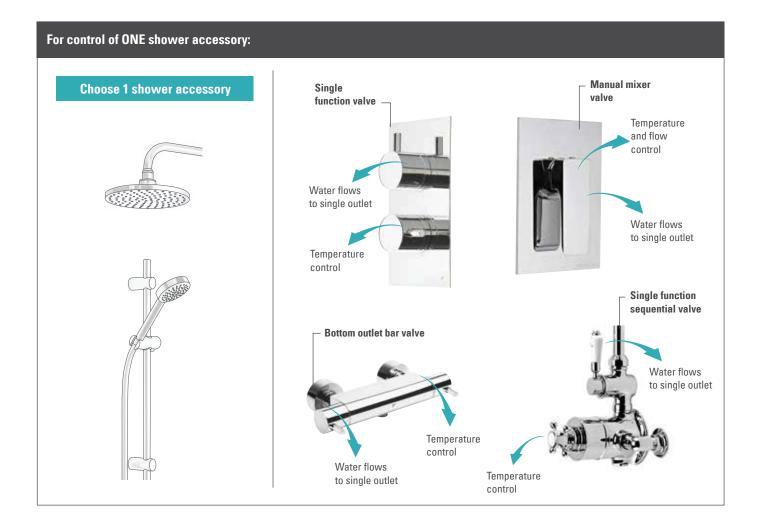

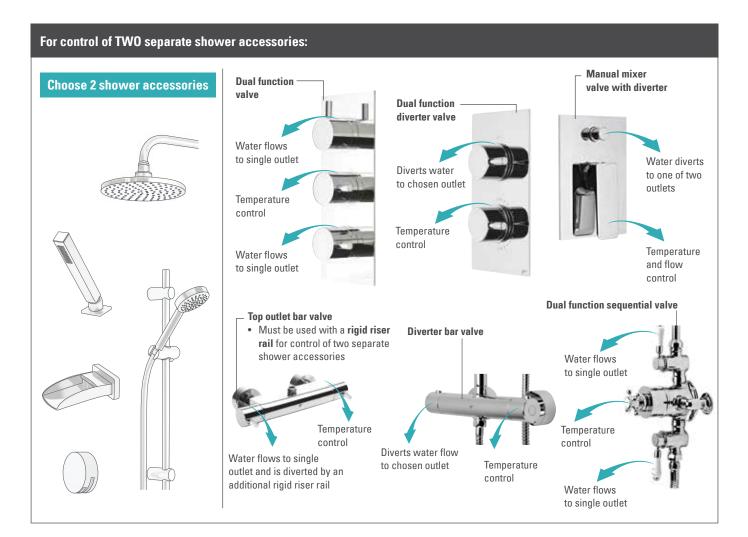

### How To Choose Your Shower Valve...

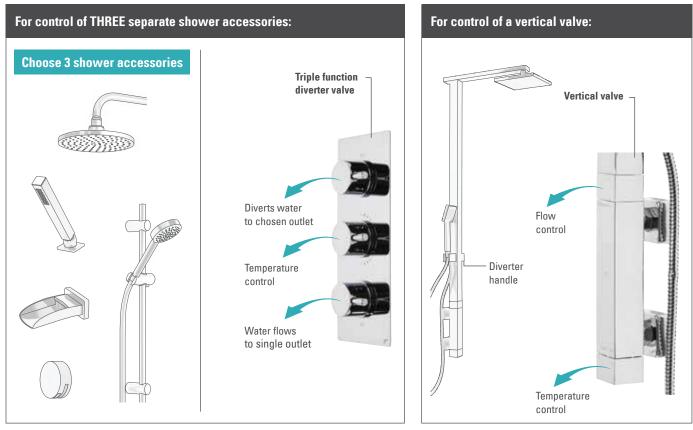

#### Roper Rhodes Shower Valves

There are many basic formats of shower valve available, each with different features and installation requirements. Use this guide to choose the valve that's right for your bathroom, then choose the style of valve you like the best. Or just simply select one of our ready made shower systems with all the parts you will need included.

## **Bath Filler Options**

### Smartflow Bath Fillers

Water runs into your bath through the filler rather than the traditional bath mixer tap. Mounted on the inside of the bath, the Smartflow also acts as an overflow and comes with a click waste. The Smartflow can be used with a single function valve as a simple bath filler or connected to a two or three function diverter valve, allowing control of both bath and shower accessories.

Smartflow bath filler (square) Chrome finish £101.00 SVACS07

Smartflow bath filler (round) Chrome finish £101.00 SVACS02

### Wall Mounted Spouts

Water runs into your bath through the wall mounted spout rather than the traditional bath mixer tap. Wall spouts can be used with a manual mixer valve as a simple bath filler or connected to a diverter valve, allowing control of both bath and shower accessories.

Code wall mounted spout Chrome finish £97.90 T191402

Round bath mounted shower kit Chrome finish £102.00 T221505

**Sign wall mounted spout** Chrome finish **£97.90** T171402

£103.50 WB50.02

## Accessories

A collection of freestanding bathroom accessories. Neat, compact and beautifully designed.

## Accessories

Our attention to detail is evident even in the smallest Roper Rhodes accessory. From toilet brushes to grab bars you can always count on our quality construction and uplifting design.

### The Cabinet Collection

### Brighten up your bathroom with one of our stunning mirrored cabinets

Our beautifully built cabinets are a great alternative to a mirror when you need additional storage space. And who doesn't? Packed full of useful features, a Roper Rhodes cabinet more than deserves a place in your bathroom.

### Look out for these great features...

#### Infrared on/off switch

Most of our illuminated cabinets are turned on and off using a no touch infrared switch. See pages 228 - 231 for location of sensor for each cabinet. **Important:** Please remember, when mounting cabinets with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

#### **LED** lighting

We use the latest LED technology in our newer cabinets to great effect. This not only looks stunning but provides a bright, practical task light with energy saving benefits.

#### Heated demister pad

Fever and Touch cabinets have a heated demister pad in the door. Within two to three minutes the pad heats the mirror to a few degrees above room temperature, keeping the central area of the mirror door clear.

#### **Recharging sockets**

Many of our cabinets include a recharging socket, suitable for electric shavers and toothbrushes, conveniently hidden away inside the cabinet.

#### IP44

All our aluminium cabinets comply with electrical equipment (safety) regulations and are IP44 rated, making them suitable for use within zone 2 of the bathroom environment.

Roper Rhodes cabinets come with many other useful features too. Refer to the individual product page and range selector on pages 228 - 231 to find out more.

# Cabinets with Bluetooth® Wireless Technology

Listen to your music play list or internet radio by pairing your smart phone or tablet to the Tune or Compose cabinet

### Features

### **Cabinets & Mirrors Brochure**

There is a dedicated Roper Rhodes cabinets & mirrors brochure available. Please ask your retailer for a copy, or alternatively visit the Roper Rhodes website to download a PDF version. www.roperrhodes.co.uk/brochures

Infrared Sensor The position of infrared sensors is indicated on each cabinet with this symbol

### Important

When mounting cabinets with infrared sensors, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the sensor can function properly

# The Mirror Collection

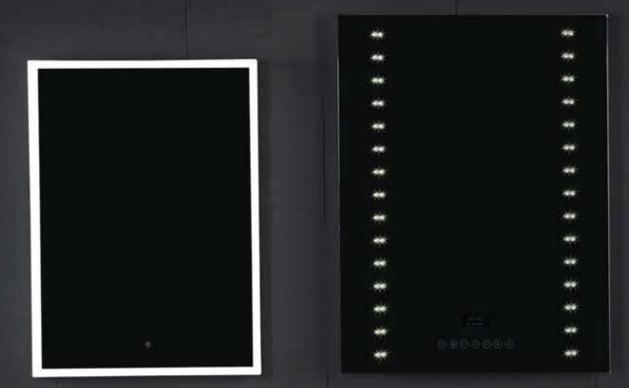

# Get ready in style in front of one of our striking mirrors

When it comes to mirrors, Roper Rhodes really does have the fairest of them all. Our collection of illuminated mirrors are beautifully designed and come with a host of clever features such as *Bluetooth*<sup>®</sup> wireless technology or built-in DAB/FM radio and multi-media options, heated demister pads, recharging sockets and no touch infrared on/off switching.

# Look out for these great features...

### Infrared on/off switch

Most of our illuminated mirrors are turned on and off using a no touch infrared switch. See pages 244 - 245 for the location of sensor on each mirror. Some of our mirrors also feature an intelligent touch sensor switch to control the lighting. **Important:** Please remember, when mounting mirrors with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

### **LED** lighting

We use the latest LED technology in our newer mirrors to great effect. This not only looks stunning but provides a bright, practical task light with energy saving benefits.

### Heated demister pad

Most of our mirrors are fitted with heated demister pads. Within two to three minutes the pad heats the mirror to a few degrees above room temperature, keeping the central area of the mirror clear.

### **Recharging sockets**

A number of our mirrors include a recharging socket, suitable for electric shavers and toothbrushes conveniently hidden away in the body of the mirror.

### IP44

Our mirrors comply with electrical equipment (safety) regulations and are IP44 rated, making them suitable for use within zone 2 of the bathroom environment.

Roper Rhodes mirrors come with many other useful features too. Refer to the individual product page and range selector on pages 244 - 245 to find out more.

# Audio-Image DAB Radio Mirror

The UK's first bathroom mirror featuring DAB & FM Radio and multi-media inputs

### Audio-Image mirror 600(w) x 800(h) x 60mm(d) 60 LEDs, DAB radio, FM radio, multimedia inputs, digital clock,

heated demister pad and infrared on/off switch £447.00 MLE400

# Mirrors with *Bluetooth*<sup>®</sup> Wireless Technology

Listen to your music play list or internet radio by pairing your smart phone or tablet to the Beat or Encore mirror

**Beat Mirror** with Bluetooth® wireless technology 800(w) x 600(h) x 50mm(d) Bluetooth® connectivity, superior integrated stereo system, LED backlit, touch sensitive controls, heated demister pad £338.00 MLE420

# **Toilet Seat Features**

The UK's leading supplier of toilet seats, with an extensive range including thermoset plastic seats which are made from a highly durable material capable of withstanding heavy household usage.

Our toilet seat collection hosts a number of solid wood seats made using the finest timber from sustainable sources and benefit from reinforced rings and hidden wood dowels for outstanding rigidity and strength. Also available are a number of wood veneered and painted MDF seats.

# Look out for the following:

### Soft close hinges

The hydraulic hinge mechanism ensures controlled and quiet closure of the seat lid and ring. The mechanism has been tested to 100,000 cycles, which is the equivalent to approximately 50 years of use.

### No corrode hinges

All our hinges are high quality chrome plated or stainless steel and feature stainless steel screws. The golden hinges are PVD coated, a tarnish and scratch resistant titanium coating.

### **Anti-bacterial protection**

to be quickly and easily installed.

Lifetime guarantee

Quick release hinges

**Top fix hinges** 

LIFETIME GUARANTEE

> An environmentally friendly built-in additive provides a hygienic finish to a number of our toilet seats which also protects against bacteria, fungi and microbes.

Some seats feature a special 'top fix' hinge allowing them

A wide selection of our toilet seats include a lifetime

Easy to operate quick release hinges are featured on some toilet seats, allowing the seat to be lifted away easily,

leaving clear access to clean hard to reach surfaces.

guarantee against hinge and seat breakages.

- Height of 600mm
- Suitable for plinth installations
- Can be cut down to suit your installation

Corner posts for 1700mm x 750mm baths

### Corner posts for 1800mm x 800mm baths

Corner post 600mm(h) White finish £40.60 CPOST600W

# Customer Service & Aftercare

As one of the UK's largest suppliers of bathroom furniture and accessories, we set very high standards in design, manufacture and service. We also invest heavily in product improvement and innovation. By choosing Roper Rhodes, you can be confident that your product is of unrivalled quality.

### Guarantees

Many of our products carry lengthy guarantees. Our furniture, showers and taps carry 10 year guarantees whilst some of our seats have a lifetime guarantee. Please see individual product sections for details. Guarantees are for domestic use only and are not transferable.

### **Replacement parts**

We carry extensive stocks of replacement parts and are normally able to dispatch spares within 24 hours of your request. Attention is drawn to the policy of replacing any damaged part with a spare part where possible. Complete exchanges will only be made if damage is extensive.

### **Product specification**

Roper Rhodes Ltd reserves the right to amend the specification of its products at any time if an opportunity to improve the product occurs. All dimensions are approximate and are quoted within reasonable tolerances.

### Pricing

All prices quoted are inclusive of Value Added Tax, which will be charged at the rate applicable on the date your product is despatched. The prices charged will be those ruling at the date of despatch and Roper Rhodes cannot be held responsible for any errors or omissions in this brochure.

### Cabinets & Mirrors Brochure

There is a dedicated Roper Rhodes cabinets & mirrors brochure available. Please ask your retailer for a copy, or visit the Roper Rhodes website to download a PDF version. www.roperrhodes.co.uk/brochures

### **Fitted Furniture Brochure**

The Roper Rhodes collection also includes a fitted furniture option. Please ask your retailer for further details and a copy of the brochure, or visit the Roper Rhodes website to download a PDF version. www.roperrhodes.co.uk/brochures
